These past few months, I have thought often of God's faithfulness. He has faithfully led me step by step as I seek Him. He has faithfully provided for me as I do my best to live out His will. He has faithfully protected me as I fight to win souls and share his love with this dark and dying world. He has faithfully forgiven me as I have made countless mistakes in life. He is so good to me, giving grace and mercy time and time again. Every step of faith taken, God has been unchangeably faithful. I count myself rich beyond measure that God would choose to use me and my wife to be simple servants to carry out His will. As God has called and led us to bring His gospel to the uttermost of Ethiopia, I am filled with anticipation to see Him do the impossible and the miraculous. Please pray that we will be faithful, fervent, and sensitive to the Holy Spirit as, no doubt, God will be faithful in His promises to us.

It has now been about 3 months since we finished our survey trip to Ethiopia. I find myself in constant remembrance of our time there, and I long daily to return. But we are more than content with this time of deputation God is leading us through. Every single church we have visited has been so very wonderful to us. God has worked wondrous miracles before our eyes answering our fervent prayers as we have taken steps of faith. We have been filled with an intense awe of our amazing God. Our faith has certainly grown this past year of deputation. We are eager and excited to see what God has in store for this next year!

Thank you for your continual prayer and support, Timothy and Jennifer Bundy
