

FREEDOM BAPTIST CHURCH

Dear Pastor and Church Family,

July/Aug 25

I trust that your summer went well and pray that those salvations and life decisions from camp are still being motivated and cultivated towards a meaningful walk with God.

We had a great 10 year anniversary celebration at the beginning of July. It was such a blessing to see some former members and regular attenders make the trip out here to celebrate all that God has done!

Currently, we have welcomed back many summer vacationers and are endeavoring to get settled back into a rhythm since school has started. We have a full fall schedule that is met with strategic measures as the military has a full calendar as well. We want to ensure as many as possible are here to minister and serve our community in these outreach events.

“Sympathy is no substitute for action.”
- David Livingstone

Our summer has met us with vicious monsoons that have come more frequently this year so there is more damage and necessary measures that need to be taken to get our property back up to a safe and functional place. We want to have a good testimony for the Lord’s church. Please pray that our congregation will give and work towards these projects.

Highlights this Month

- * New Guests
- * Christ-like growth in discipleship and accountability
- * Great response to missions
- * Many are being given the gospel

I was able to lead a young man named Jayson to the Lord and baptize him before he went on pre-deployment leave last month and we praise the Lord for working in his life. Please pray for him as he deploys to be safe as well as grow in his walk with God.

Our son, Carson also followed the Lord in baptism last month and we are so thankful to God for working in his life as he was fearful to take this step. God is doing great things out

here in individual’s lives. To God be the glory!

Thank you so much for being a great part of our ministry!

Because He lives,
Pastor Clint Minnick

Prayer Requests

- o Seeds being planted to bring fruit
- o Discipleship to go forward
- o Outreach opportunities
- o People to give towards the property projects and help to work
